

DETAILS ON SATELLITE PHONE TESTING BELOW

Testing can be done any day of the week but please only test between 7am and 7pm from Tuesday, 22 April 2025.

Actions required by you:

1. Send a txt message from your satellite device to the Primary SKED phone number – **+61 461 453 065**
 - Example message, “Airborne sat phone test” if your boats name was “Airborne”.
 - You may not receive an immediate confirmation response as the volunteers might be busy with full-time work or driving etc.
 - If you do not receive a response within 8 hours please send an email to sailingadmin@fsc.com.au or sailingmanager@fsc.com.au
2. Make a voice call to the primary SKED phone number from your satellite device (please leave a message including your vessel name if the call is not answered)
3. **Optional:** Send an email to freo2indo2025@gmail.com from your satellite phone – again include vessel name Race control will reply confirming your email is working.

Once steps 1 and 2 above are complete you will receive confirmation from Race Control and your boat will be noted as Sat comms approved in TopYacht.
